Thanks for participating in last Thursday's UHRC Policy Group meeting. The following was discussed at the meeting:

## UHRC Operations:

\* The UHRC continued its operations from 7am to 5pm, Monday - Friday.

\* The Policy Group discussed the ongoing efforts at Venice and Globe. Per LAHSA, St. Joseph Center has reengaged at the location beginning on 4/22. Since then, SJC has placed 4 individuals in shelter / crisis housing. SJC has also discussed with LAHSA, LAPD, and LASAN the need to schedule regular CSLA cleanups at the location later in the week to allow outreach workers time to engage individuals at the beginning of each week.

\* CD2 discussed its questions and concerns about rapid response in their district. LAPD and LASAN discussed their deployment models and committed to providing an equal amount of service to CD2 and all council districts in the SFV. LASAN noted it would contact CD2 directly to discuss further.

\* LAHSA provided information for "hot spot" encampment locations where they believe the trash bag program may be effective. Those locations are attached. The Policy Group will discuss a plan for expanding the program to these additional locations and carefully tracking its progress.

## UHRC Data and Metrics:

\* The Mayor's Office asked departments and partners to begin reporting metrics at the next UHRC Policy Group meeting on 5/2. A list of the mutually agreed upon metrics is attached.

## Additional Issue(s):

\* The Policy Group discussed the need to re-open the CSLA authorization process to address bottlenecks in scheduling and authorizing cleanups. The Policy Group will review and begin discussing the authorization process at its next meeting on 5/2.

Please let me know if you have any questions, or if I have missed (or misstated) anything from the meeting.

Notes from the 4/18 UHRC Policy Group meeting are attached.

The next UHRC Policy Group meeting will be on Thursday, 5/2, at 1pm in the CENTCOM Room, 22nd Floor - City Hall.

Thanks so much!

Brian
